“Information Sharing:

In accepting this document, you confirm that you acknowledge that the sharing of insurance information for underwriting and claims purposes (including credit information) between Insurers is in the public interest as it enables Insurers to underwrite policies and assess risks fairly and to reduce the incidence of fraudulent claims with a view to limiting premiums.

On your own behalf and on behalf of any person you represent you hereby waive my right to privacy with regard to underwriting or claims information (including credit information) that you provide or that is provided by another person on your behalf in respect of any insurance policy or claim made or lodged.

You acknowledge that the insurance information provided may be stored in a shared database and used as set out above as well as for any decision pertaining to the continuance of your policy or the meeting of any claim you may submit.

You consent to such information being disclosed to any other Insurance Company or its agent.

You acknowledge that the information may be verified against legally recognised sources or databases.

Data Protection:

Our goal is to ensure that our strategic partners’, clients’ and third-party services providers’ personal information is only used and accessed for the purposes of providing financial services (i.e. underwriting and claims) and ensuring that adequate security measures are in place to protect this personal information from unauthorised access and use throughout our value chain.

As the privacy of our clients’ personal information is of utmost importance, we take our responsibility to protect the security and confidentiality of the personal information we collect very seriously.

For a more detailed explanation, please read our official Privacy Statement on our website.”
