

ROBIN BAIRD WRIGHT – PERSONAL POLICY EXCESS AND LIMIT SECTION

Pay-out will not exceed the applicable limit.

All excesses are per section per claim.

If you claim under more than one cover section because of the same event, you only have to pay the highest excess (basic excess plus the total of any additional and voluntary/compulsory excesses as applicable) under all the cover sections.

The basic excess becomes Nil when the policyholder is aged 55 or older, unless the policyholder opts to pay a voluntary excess, as stated in the Schedule. In the Motor section, this applies if the driver at the time of the accident is aged 55 or older. If the driver is under the age of 55 years old, the basic excess of R5 000 will apply.

Any cover included in your policy wording which is not shown in this document, is limited to the applicable section's sum insured and the relevant basic excess applies.
